General Plan, Land Use Element Map

The Utah County General Plan, *Land Use Element Map*, illustrates the five areas of the Utah County General Plan, *Land Use Element Plan*. This land use plan and land use map, along with the goals, objectives and policies element; the moderate income housing element; the transportation and traffic circulation element; and the environmental element; make up the advisory guidelines for the comprehensive development and long-range land use planning for the unincorporated lands of Utah County, Utah.
