HOW TO ACCESS UTAH COUNTY SUBSTANCE ABUSE TREATMENT SERVICES

STEP ONE: Individuals accessing any county funded substance abuse treatment services must complete an intake evaluation at the county substance abuse assessment center located at 151 South University Ave. Suite 1500. In order to set up an evaluation appointment call 851-7128. *There is an \$80 fee for the evaluation.* Individuals will be able to complete the evaluation if they cannot pay at the time of service. The county will bill them at a later date.

STEP TWO: Substance evaluation appointments are usually scheduled out a few weeks. If an individual does not want to wait that long for an evaluation, they may take their chances with a walk in appointment. *Walk in appointments are every Monday and Thursday from 8am to 9am.* If regularly scheduled appointments do not show upon these days they will be filled with the walk in appointments. *There is no guarantee that a walk in will be seen that day.* In order to be eligible for a walk in appointment an individual must already have an evaluation appointment set up.

--Assessment recommendations will determine level of treatment. Treatment could begin within the week after the assessment. It is the county's goal to provided needed services in as timely a manner as possible to all clients seeking assistance.

* All treatment services are limited to Utah County Residents only.

* There is a financial obligation to pay for services. Payment is calculated on a sliding fee scale based on Federal Poverty Guidelines, income and household size.
